INTERNATIONAL SEMINAR Biotechnology for Enhancement the Tropical Biodiversity

GRAHA SANUSI HARDJADINATA
PADJADJARAN UNIVERSITY
DIPATIUKUR NO. 35
BANDUNG

Key Issue

Indonesia has enormous genetic biodiversity, either land or aquatic resources. However, these genetic resources have not yet been fully explored for the benefit for human welfare and mankind. To maximize these potential natural resources, hence, it is crucial to develop biotechnology research for an environmentally sound industrial development including biomedical and sustainable agro-industries. In this seminar, will be discuss any term of biodiversity correlate with biotechnology application include food, feed, fuel, and health.

Theme & Topics

Theme :Biotechnology for Enhancement the Tropical Biodiversity

Topics :Biotechnology Application for Animal, Plant, Fish, Food, Feed, and Health

Target Group

- 1.Researchers, scientists, students, and delegates from the other countries
- 2.Total participant : 250 persons

Form of Activity

1. Workshop "Biotechnology in Practice"

- Material** : 1. DNA and RNA preparation
2. Real Time PCR
3. Method of primer design
4. Microbial identification by API tests

Date : 18 October 2010 at 08.00-17.00 WIB

Place : Padjadjaran University, Bandung

Capacity : + 50 participant

2. Seminar

Date : 19-20 October 2010
08.00-17.00 WIB

Place : Graha Sanusi Hardjadinata
Padjadjaran University, Dipatiukur No.
35 Bandung

Capacity : + 300 participant

3. Exhibition

Distributor and laboratory equipment based on Biotech and Biomolecular

Speaker

1. Prof. Dr. Gusti Hatta (Ministry for Environment, Republic of Indonesia)-Keynote Speaker
2. Prof. Dr. med. dr. Trihanggono Achmad (Health Biotechnology, Padjadjaran University, Indonesia).
3. Prof. Ir. Achmad Baihaki, M.Sc., PhD. (Plant Breeding Padjadjaran University, Indonesia).
4. Bappenas – Indonesian biodiversity and action plan /IBSAP.
5. Prof. (research) Dr. Ir. Ketut Sugama M.Sc (Fish Breeding, Ministry for Marine Affairs and Fisheries, Republic of Indonesia).
6. Dr. Bambang Purwantara DVM. M.Sc (SEAMEO BIOTROP, Republic of Indonesia).
7. Prof. Dr. Jothi Malar Panandam (Genetics and Animal Breeding, Universiti Putra Malaysia).
8. Prof. Ir. Endang Sutriswati Rahayu, Ph.D (Food Microbiology, Gadjah Mada University, Republic of Indonesia).
9. Dr. Bob Lang (Canadian Livestock Genetic Association, Canada).
- 10.Dr. Kit Sum (Canada Genetic livestock assoc./ INDLife ; International New Development, Canada).
- 11.Dr. Ismu Prasetyawati (Vaccine Technology, PT. Biofarma, Indonesia).
- 12.Dr. Peter Mcgee (Soil Microbiology, Sidney University, Australia).
- 13.Dr. Wawan Hermawan (Organic Biopesticide, Padjadjaran University, Indonesia).
- 14.Fitri Fegatela, Ph.D (Feed Biotechnology, Indonesia).
- 15.Sukma Nuswantara, Ph.D (Biomolecular, LIPI, Indonesia).
- 16.Representative Product

Call for Paper

- The Organizing Committee invites you to submit abstract of 200 – 250 words.
- Abstracts of papers will be submitted for poster session only. Abstract should be submitted together with the Registration Form.
- Guidelines for submission of abstract can be seen in www.puslitbiotek-unpad.com

Full Papers

Full paper should be sent by e-mail by Sept, 17, 2010. Presenting authors are requested to submit full papers upon arrival in Bandung to the secretariat during seminar both as hard soft copy. The paper for publication should be no longer than 8 pages. All submitted papers will be reviewed by the Section of Seminar and Poster. The selected papers will be submitted in accredited Journal.

Registration

1. Registration For Workshop Until, 30 Sept. 2010
2. Registration Open Until Oct 18, 2010

Seminar

The full registration fee for seminar covers admission to all seminar session, identification badges, seminar bag (with book of abstract, program and other information, morning and afternoon coffee breaks, lunch.

Participants	Registration fee
Lecturer & Post graduate student	Rp. 300.000
Under graduate Student	Rp. 100.000
Private	Rp. 500.000
Second Paper	Rp. 100.000
Workshop	Rp. 750.000

Tour

Tour will be held on October, 21, 2010. Destination tour is to Saung Udjo (Bamboo Music and Batik painting). The registration fee for Indonesian participant Rp. 100.000 and foreign participant US\$ 50 per person.
