

## **CURRICULUM VITAE**

- Name : **Prof. Oekan S. Abdoellah M.A., Ph.D.**
- Place and date of birth : Indramayu. May, 6, 1954
- Nationality : Indonesia
- Specialization : Human Ecology
- Research Interest : Rural Development; Transmigration and resettlement: Social forestry, Traditional agroforestry and bio-resource management.
- On going Research (2015-2019) : Rural-Urban Linkage from Sustainability Science Perspective.
- Scopus ID : 6507492939
- Position** :
- 2015 – Present : Chair of the Academic Senate-Universitas Padjadjaran
- 2014** - 2016 : Coordinator Program of Post Graduate Study on Sociology, Faculty of Social and Political Sciences University of Padjadjaran-Bandung.
- 2002 - present : Professor of Human Ecology at Faculty of Social and Political Sciences and Post Graduate Studies Padjadjaran University.  
Senior Researcher at The Institute of Ecology, Padjadjaran University.
- 1999 – 2009 : Head of Post Graduate on Environmental Studies Padjadjaran University.
- 2008 – April, 15,2012 : Chair of Institute for research and community services (LPPM) – Padjadjaran University.
- 2007 – 2008 : Chair of Research Institute, Padjadjaran University
- 1997 – 2007 : Director Institute of Ecology, Research Institute Padjadjaran University.

- 1996 - 1998 : Head of Department of Anthropology, Faculty of Social and Political Sciences, Padjadjaran University.
- 2010 – Present : Member of Advisory Committee for Program toward Green Indonesia. Ministry of Environment, Republic of Indonesia.
- 2013 – Present : Chair of Department on Sustainable Development for Indonesian Professor Association (API)
- 2011 – Present : Member of All Indonesian Muslim Intellectual Association (ICMI)-Department Energy, Mining and Environment.

**Home address** : Jl. Permai III A-120  
Komplek Cipadung Permai  
Bandung 40614  
Phone: (022)-7801870  
E-mail: oekan.abdoellah54@gmail.com

**Office address** :

- Jl. Raya Bandung-Sumedang Km.21. Jatinangor 45363  
Phone: +622284288870. Fax: +6284288870
- Institute of Ecology-Padjadjaran University. Jl. Sekeloa Selatan Bandung 40132-Indonesia. Ph. 022-2502176. Fax: 022-2504982.
- Department of Anthropology, Faculty Social and Political Sciences-Padjadjaran University. Jl. Raya Bandung- Sumedang. Jatinangor-Sumedang.

**Professional Association** : - Member of International Association of East West Center Alumni, Hawaii.  
- Program Coordinator for the Southeast Asia Sustainable Forest Management Research Network.  
- Member of Southeast Asia University Agricultural Network.

### **Educational Backgrounds:**

1. May 1990 : Received PhD, Department of Anthropology - University of California, Berkeley-USA. Specialization: Ecological Anthropology (Human Ecology). Dissertation Title : Indonesian Transmigrants and Adaptation: An ecological Anthropological Perspective.
2. August, 1984 : Received Master of Arts, Department of Anthropology-University of California, Berkeley-USA.
3. March, 1980 : Graduated from the Faculty of Science and Mathematics, Department of Biology, Padjadjaran University with specialization on Ecology.
4. 2007 : **PPSA XV-LEMHANNAS-RI.**

### **Working Experiences:**

1. April - June 1980 : Visiting Researcher, Department of Human Ecology, School of Health Science, Faculty of Medicine-University of Tokyo, Japan.
2. June 1 - Sept 30, 1982 : Professional Associates, Environment and Policy Institute, East West Center, Hawaii-USA.
3. Dec.15, 1985-Jan. 21, 1986: Research Intern, Environment and Policy Institute. East West Center, Hawaii-USA.
4. May 1 - May 15, 1986 : Professional Associates, Environment and Policy Institute. East West Center, Hawaii-USA.
5. 1992 - 1994 : World Bank Consultant for Environmental Impact Assessment, PIADP Project.
6. 1992 - 1994 : Consultant World Wild Fund for Social Impact of Freeport, Papua.
7. April - May, 1993 : Professional Associates, Environment and Policy Institute. East West Center, Hawaii-USA.
8. May 1996 - Dec. 1996 : Consultant LIPI-BAPPENAS on community development for Coral Reef Management Program (COREMAP).

9. Nov. 10 - Dec. 10, 1996 : Professional Associates, Environment and Policy Institute. East West Center, Hawaii-USA.
10. 1996 - 1997 : Coordinator Land Resource Management Agenda 21 for Indonesia. UNDP-Ministry of Environment.
11. April 1 – August 1999 : National Project Director for Good Environmental Governance. UNDP-BAPPENAS.
12. 1995 – 2006 : Evaluator for Research Grant Competition (Hibah Bersaing), Directorate General for Higher Education-Ministry of Education, Republic of Indonesia.
13. 1997 – 2006 : Lecturer for Sekolah Staf dan Komando (SESKO) – TNI Republic of Indonesia and Sekolah Staf dan Komando TNI-AU (Awarded Satyalancana Dwidya Sistha)
14. January-June 2002 : National Project Coordinator for Assessment Agenda 21-Indonesia. Ministry of Environment – UNDP.
15. March 25-April 5, 2002 : Member of Delegation of Republic Indonesia for The Third Meeting of Preparatory Committee for the World Summit on Sustainable Development. UN-New `York.
16. April 23 – June 7, 2002 : Member of Delegation of Republic Indonesia for The Fourth Meeting of Preparatory Committee for the World Summit on Sustainable Development. Bali-Indonesia.
17. 2002- 2008 : Ministry of forestry’s evaluation team member for report assessment of working performance of independent appraisal institution.
18. 2005 – 2007 : Member of Sustainable Development Advisory Council (SDAC) PT. Freeport-Indonesia.

**Visiting Professor, Research Fellows and Guest Lecturer.**

1. April - June 1980 : Visiting Researcher, Department of Human Ecology, School of Health Science, Faculty of Medicine-University of Tokyo, Japan.
2. July 13 – August 15, 2003: Visiting Professor at Faculty of Forestry and Environmental Science, The Institute of Forestry Economics, University of Freiburg, Federal Republic of Germany.

3. Mei 1 – October 2, 2004 : Visiting Professor at Laboratory of Landscape Ecology and Planning, Department of Ecosystem Studies, Graduate School of Agricultural and Life Sciences, University of Tokyo, Japan.
4. Nov. 24 –Dec. 25. 2004 : Visiting Professor at Faculty of Forestry and Environmental Science, The Institute of Forestry Economics, University of Freiburg, Federal Republic of Germany.
5. Oct. 2008- April 2009 : Visiting Research fellows, Center for Southeast Asian Studies-Kyoto University, Japan.
6. May, 8, 2013 : Guest lecturer at Faculty of Geology, University of Warsaw-Poland.
7. May 19-22, 2015 : Reviewer Seminar Presentations of the MA students in the field of Agrarian, Food and Environmental Studies (AFES)-International Institute of Social Studies (ISS) Erasmus University Rotterdam-The Hague-The Netherlands.
8. May, 17-21, 2016 : Reviewer Seminar Presentations of the MA students in the field of Agrarian, Food and Environmental Studies (AFES)-International Institute of Social Studies (ISS) Erasmus University Rotterdam-The Hague-The Netherlands

#### **Editor and External Reviewer for International Journal.**

1. 2006 – 2010 : Editor for Journal Sustainability Science, Springer-Tokyo
2. 2010- present : External reviewer untuk Journal Applied Energy, Springer. The Netherland.
3. 2004 -present : External reviewer for Journal Agroforestry Systems, Springer. The Netherlands.

#### **Working experiences on Transmigration and Resettlement:**

1. October 1979 : Function of homegarden in transmigration areas, South and Central Kalimantan.

2. June-August, 1985 : Preliminary study on comparative adaptive strategies of Transmigrants in Indonesia: A case study in Barambai South Kalimantan.
3. June 1987 - August 1988 : Study on comparative adaptive strategies of transmigrants in Indonesia: A case study in Barambai, South Kalimantan
4. 1994 - 1995 : Project coordinator resettlement plan of oustees proposed Jatigede multipurpose dam, West Java.
5. 1994 - 1995 : Project coordinator for study adaptive strategy of the people affected by the development of Cirata Hydro-electric power project.
6. 1995 - 1996 : Project coordinator resettlement study for displaced people in the surrounding proposed Jatigede multipurpose dam, West Java.
7. 1996 - 1997 : Project coordinator socialization of integrated farming system for the new settler from proposed Jatigede multipurpose dam in Arinem, West Java.

**Working experiences on agroforestry, social forestry and bio-resource management studies:**

1. 1979 - 1983 : Traditional agroforestry studies in West Java and Transmigration areas.
2. 1992 - 1994 : Project coordinator for diagnostic study of community forest management options in East Kalimantan. Joint project between Institute of Ecology, UNPAD and The Southeast Asia Sustainable Forest Management Research Network, University of California-Berkeley, USA.
3. 1994 - 1997 : Project coordinator the condition of biodiversity maintenance in the Upper Citarum River Basin. Joint project the Institute of Ecology-UNPAD, Southeast Asia University Agricultural Network (SUAN) and East West Center, Hawaii-USA.
4. 1998 – 2010 : Project Coordinator for Bioresource Management. Joint Project between Institute of Ecology-Research Institute, Padjadjaran University and Tokyo University ( JSPS.)
5. 2015 – 2018 ; Project Coordinator for Research on Rural-Urban Linkage from Sustainability Science Perspective. Funded by

Program Academic Leaderships Grant, University of Padjadjaran-Bandung, Indonesia.

**Other activities (Symposium, Working groups, etc).**

Since 1979, active in attending many symposium and working groups both national and international, some of them are :

1. April 13-21, 1979 : Attended the International Symposium of Tropical Ecology, Kuala Lumpur, Malaysia.
2. Nov. 24 - Dec. 7, 1981 : Attended the workshop on human agroecosystems interaction. University of the Philippines at Los Banos, Laguna-Philippines.
3. March 17 - 20, 1986 : Attended the International Symposium on the Comparative human ecology of health and survival strategy in Asia and the South Pacific, University of Tokyo, Japan.
4. January 6-10, 1986 : Attended the Southeast Asia Universities Agricultural Network Workshop, Khon Kaen University - Thailand.
5. December 16-31, 1987 : Attended the First Asian School on conservation Biology. Center for Ecological Science, India Institute of Science, Bangalore-India.
6. July 21-23, 1991 : Attended International Conference on Forest-People Interactions in Kalimantan. New York - USA.
7. June 26 - July 1, 1993 : Attended the International Congress on Human Evolution in Its Ecological context. Phithecanthropus centennial foundation. 1893 - 1993. Leiden.
8. March, 1994 : Attended seminar on Policy dialogue on natural forest regeneration and community management. Program on Environment, East West Center, Hawaii-USA.
9. April 24 - 28, 1995 : Attended the third planning meeting for the biodiversity study for Indonesia and the Philippines. The conditions of biodiversity maintenance in Asia: Policy linkages between environmental conservation and sustainable development. Program on Environment-Southeast Asian University

Agricultural Network (SUAN)-John D. and Catherine T. MacArthur foundation. Laguna-Philippines.

10. Nov. 10 - Dec. 10, 1996 : Attended workshop the conditions of biodiversity maintenance in Asia: The policy linkages between environmental conservation and sustainable development. East West Center, Hawaii-USA.
  
11. May 6- May 13, 1997 : Attended workshop on Indigenous Environmental Knowledge and Its Transformations. East West Environmental Linkages Research Network. University of Kent at Canterbury-England.
  
12. October 1 – 14, 1998 : Attended workshop on Harmonization between Development and Environmental Conservation in Biological Production. University of Tokyo, Japan.
  
13. March 13 – 27, 1999 : Attended workshop on Environmental Policy. University of Twente, The Netherland.
  
14. October 1 – 14, 1999 : Attended workshop on Bioresources Management, University of Tokyo, Japan.
  
15. July 25-27, 2000 : Attended YIES International Seminar 2000. Yamanashi-Japan.
  
16. November 13-17, 2000 : Attended International workshop on Sacred Gifts for a Living Planet. Organized by ARC/WWF. Nepal.
  
17. February 21-23, 2001 : Attended the First Seminar on Toward Harmonization between Development and Environmental Conservation in Biological Production. The University of Tokyo-Japan. Sponsored by Japan Society for the Promotion of Science.
  
18. July 17-19, 2001 : Attended International workshop on The Contribution of homegardens to in situ conservation of plant genetic resources in farming system. Witzenhausen, Federal Republic of Germany.
  
19. June 27-29, 2003. : Attended the International Symposium on *Pursuing Sustainable Societies in Diverse Environments*. Kobe-Japan.
  
20. January 6-7, 2004. : Attended the International Seminar on “Towards rural and urban sustainable communities: Restructuring human-nature interaction”. Bandung-Indonesia.

21. June 7-12, 2005 : Attended the International seminar on Rural Sustainable Development. Tokyo University, Japan.
22. February 26 –March 3, 2008 : Attended the Last Seminar on Toward Harmonization between Development and Environmental Conservation in Biological Production. The University of Tokyo-Japan. Sponsored by Japan Society for the Promotion of Science.

### **Presentations**

1. Abdoellah, O.S.; Parikesit; Gunawan, B.; Megantara, E.N; Benito, A.K., 2005. Agroecological research for sustainable development: An interdisciplinary approach. Paper presented at the International Symposium on “ Multidisciplinary perspective on the development of human resources in the era of globalization. Organized by Padjadjaran University and Leiden University. September 13-14, 2005.
2. Gunawan, B. and Abdoellah, O.S. 2005. Land degradation, population and other associated factors: The case of upland villages in the upper Citarum watershed. Paper presented in International Seminar on “ Population Policy and Development Issues in Indonesia. Organized by Faculty of Social Sciences, The Flinders University of South

Australia and Public Administration Department, Faculty of Social and Political Sciences- Padjadjaran University. July, 20, 2005.

3. Abdoellah, O.S.; Asdak, C; Takeuchi, K; and Benito, A.K. 2004. Ecological principles of traditional land-use system for a sustainable rural community: A case study in the upper Citarum. Paper presented at the International Seminar on "Towards rural and urban sustainable communities: Restructuring human-nature interaction" 6-7 January 2004. Bandung-Indonesia.
4. Abdoellah, O.S., Takeuchi, K., Parikesit, Gunawan, B. and Benito, A.K., 2003. Restructuring the sustainable rural society by introducing ecological principles of traditional land-use system in Indonesia: a case study in the upper Citarum Watershed. In Proceedings of the International Symposium on *Pursuing Sustainable Societies in Diverse Environments*. Kobe University, 27-29 June 2003, pp. 93-106.
5. Abdoellah, O.S. 2003. The role of scientific community in the implementation of sustainable development. In: Proceedings of *Forum Discussion on The Results and Implementation of World Summit for Sustainable Development*. Jakarta, 11 April 2003, pp. 47-56. (in Indonesian)
6. Abdoellah, O.S., Takeuchi, K., Parikesit, Gunawan, B., Kurnani, B.A. and Asdak, C., 2003. Bioresource management in the upper Citarum Watershed: towards sustainable biological production systems. In: Proceedings of the 2<sup>nd</sup> Seminar *Toward Harmonization between Development and Environmental Conservation in Biological Production*. The University of Tokyo, 16 February 2003, pp. 384-397.
7. Gunawan, B, Takeuchi, K. and Abdoellah, O.S., 2003. Challenge to enhance people participation in watershed management: response of the fish-farmers community in Saguling Reservoir, West Java, Indonesia. In: Proceedings of the 2<sup>nd</sup> Seminar *Toward Harmonization between Development and Environmental Conservation in Biological Production*. The University of Tokyo, 16 February 2003, pp. 501-519.
8. Parikesit, Takeuchi, K., Tsunekawa, A. and Abdoellah, O.S., 2003. Resource analysis of small-scale dairy production system in the upper Citarum Watershed, Indonesia: problem of sustainability. In: Proceedings of the 2<sup>nd</sup> Seminar *Toward Harmonization between Development and Environmental Conservation in Biological Production*. The University of Tokyo, 16 February 2003, pp. 481-500.
9. Abdoellah, O.S. and B. Gunawan 2003. Social aspect and community participation on environmental impacts analysis. Paper presented at the Seminar on *Sosialization on the Development of Oil and Gas Fields BP, West Java*. Bandung, 5-7 February 2003, 20 pp. (in Indonesian).
10. Abdoellah, O.S., Asdak, C., and Parikesit., 2002. The role of scientific community on the implementation on forest policy in the era of local autonomy : Pathway to achieve sustainable forest management. Paper presented at the seminar on *Forest management in the new paradigm of local autonomy*. Bandung, 29 October 2002. 18 pp. (in Indonesian)

11. Abdoellah, O. S., 2002. Social responsibility of scientific community in order to achieve the future environmental conditions: paving the way for sustainable development. Paper presented at *the Stadium Generale of Post Graduate Studies*. Padjadjaran University, 23 September 2002, 26 pp. (in Indonesian).
12. Abdoellah, O.S. and Megantara, E. , 2002. Environmental impacts assessment for development. Paper presented at the School of Staff and Commander of Indonesian Air Force XXXIX. Lembang, West Java. 21 August, 2002. 11 pp. (in Indonesian).
13. Abdoellah, O.S., 2002. Natural resources and environmental management in order to achieve sustainable development. Paper presented at the School of Staff and Commander of Indonesian Air Force XXXIX. Lembang, West Java. 21 August 2002. 18 pp. (in Indonesian).

Paper presented at *the Environmental impact assesment training course* Organized by Center for environmental study, Bandung Institute of Technology. Bandung, 20 August – 1 September, 2001. 22 pp. (in Indonesian)
15. Abdoellah, O.S. and Gunawan. B., 2001. People participation on management of the dam. Paper presented at the National symposium on *People awarness on environmental management of the dam*. Jakarta , 20 March 2001. 14 pp. (in Indonesian)
16. Abdoellah, O.S., Takeuchi, K., Parikesit, Gunawan, B. and Hadikusumah, 2001. Structure and function of homegarden: a revisited. In: *Proceedings of the 1<sup>st</sup> Seminar Toward Harmonization between Development and Environmental Conservation in Biological Production*. The University of Tokyo, 21 February 2001, pp. 167-185.
17. Parikesit, Takeuchi, K., Tsunekawa, A. and Abdoellah, O.S, 2001. Bioresource utilization in the changing landscape of upper Citarum Watershed: the importance of natural subsidy in rural production systems. In: *Proceedings of the 1<sup>st</sup> Seminar Toward Harmonization between Development and Environmental Conservation in Biological Production*. The University of Tokyo, 21 February 2001, pp. 141-166.
18. Abdoellah, O.S., Parikesit, Gunawan, B. and Hadikusumah, H.Y., 2001. Homegardens in the upper Citarum Watershed, West Java: a challenge for in situ conservation of plant genetic resources. Paper presented at the International workshop on *Contribution of Homegardens to in situ Conservation of Plant Genetic Resources in Farming Systems*. Wetzenhausen, Federal Republic of Germany, 17-19 July 2001, 21 pp.
19. Iskandar, J., Abdoellah, O.S. and Iskandar, B., 2000. Moral versus interest: social cultural environmental changes in the practicing of swidden cultivation of the Kanekes Community in West Java. Paper presented at the Seminar of *Health and Quality of Life*. Bandung, 16 pp. (in Indonesian)

20. Asdak, C., Salim, H., Kurnani, B.A., Megantara, E. and Abdoellah, O.S., 2000. Strategic environmental assessment in order to achieve strategic sustainable environmental management. Paper presented at national workshop on *Strategic environmental assessment: Possible and potential development in Indonesia*. Jakarta, 16 November 2000. 13 pp. (in Indonesian)
21. Gunawan, B, Takeuchi, K., Tsunekawa A. and Abdoellah, O.S., 2000. Utilization of forest resources in West Java, Indonesia: a need to reinvolve local people in forest management. Paper presented at the Workshop on *Bioresource Management*. The University of Tokyo, 29 November 2000.
22. Abdoellah, O.S. 2000. Environmental impacts assessment for development. Paper presented at the School of staff and commander of Indonesian air force XXXII. Lembang, West Java. 9 November 2000. 11 pp. (in Indonesian).
23. Abdoellah, O.S., 2000. Natural resources and environmental management in order to achieve sustainable development in Indonesia. Paper presented at the School of staff and commander of Indonesian air force XXXII. Lembang, West Java. 9 November 2000. 18 pp. (in Indonesian).
24. Abdoellah, O.S. 2000. Natural resource and environmental management in the context of National Development: Where we have to go ? Paper presented at the Celebration of the Padjadjaran University. Bandung, 4 September, 2000. 15 pp. (in Indonesian).
25. Asdak, C. and Abdoellah O.S., 2000. Past, present, and future condition of tropical peatlands: learning from our own mistake. Paper presented at the International Workshop on *Opportunities Global Costs and Benefits of Sustainable Management of Tropical Peatland*. University of Sriwijaya, 18-20 March 2000, 6 pp.
26. Abdoellah, O.S., 2000. The role of Islamic traditional school in economic empowerment and environmental management: future alternative. Paper presented at the International Workshop on *Sacred Gifts for a Living Planet*. Organized by ARC/WWF. Nepal, 13-17 November 2000, 10 pp.
27. Suwartapradja, O. S. and Abdoellah, O.S. , 2000. Population dynamic due to the development of dam : A Case study in Saguling dam, West Java. Paper presented at the National symposium on management lake and dam. Organized by Fishery Department, University of Padjadjaran, Bandung. 7 November 2000. 25 pp. (in Indonesian)
28. Abdoellah, O.S., 2000. Reorientation of environmental management paradigm: a case of tropical forest, Kalimantan. Paper presented at National Seminar on *Tropical Forest of Kalimantan: The Empowerment of the People to Prevent Forest and Land Fires*. Organized by Burung Enggang Foundation, 12-14 May 2000, 11 pp. (in Indonesian)
29. Abdoellah, O.S., 2000. Learning from our own mistakes: paths to a sustainable society in Indonesian Case. Paper presented at *YIES International Seminar*. Yamanashi, 25-27 July 2000, 13 pp.

30. Abdoellah, O.S. and Iskandar, J., 2000. Development of future agriculture based on ecological principle: a case study in upper Citarum Watershed, West Java. Paper presented at National Seminar on *Development Policy Analysis on Genetic Conservation: National and Global Issues*. Bogor, 18 October 2000, 15 pp. (in Indonesian)
31. Abdoellah, O.S., Parikesit and Takekuchi, K., 1999. Bamboo tree gardens in changing agricultural landscape of upper Citarum Watershed, Indonesia: owner's perception on its roles and future existence. Paper presented at the Workshop on *Bioresources Management*. University of Tokyo, October 1-14, 1999, 29 pp.
32. Abdoellah, O.S., 1999. The paradigm on environmental management: challenge to achieve new Indonesia. Paper presented at the *Executive Environmental Impact Assessment Course*. Organized by Institute of Ecology, Research Institute, Padjadjaran University and PERTAMINA. Bandung, 19-23 October 1999, 13 pp. (in Indonesian).
33. Abdoellah, O.S. and Asdak, C., 1999. Shifting of the paradigm on environmental management: a challenge to achieve New Indonesia. Paper presented at National Seminar *Reorientation of Paradigm on Environmental Management*. Organized by the Institute of Ecology, Research Institute, Padjadjaran University and Ministry on Environment. Bandung, 12 July 1999, 13 pp. (in Indonesian)
34. Abdoellah, O.S., 1998. Resettlement: a case study from Jatigede, West Java. Paper presented at the Symposium on *The Guideline Preparation of the Resettlement Scheme on Water Resource Projects*. Organized by the Direktorat Jenderal Pengairan and Asian Development Bank. Yogyakarta, 3-10 May 1998, 9 pp. (in Indonesian).
35. Abdoellah, O.S., 1997. The contribution of higher level education to implement harmonization among ecology, economy and technology. Paper presented at the Cultural symposium Indonesia-Malaysia VII. Bandung 18-20 December 1997. 13 pp. (in Indonesian)
36. Abdoellah, O.S. 1997. Social dimension on developing partnership. Paper presented at the seminar on Community empowerment in West Java. Organized by Padjadjaran University and Local government of West Java. Bandung, 15 – 17 October 1997. 17 pp. (in Indonesian)
37. Abdoellah, O.S., 1997. Modernization and indigenous environmental knowledge in Indonesia. Paper presented at *East West Environmental Linkages Research Network Workshop: Indigenous Environmental Knowledge and Its Transformations*. University of Kent at Canterbury, 6-13 May 1997, 13 pp.
38. Abdoellah, O.S. and Gunawan, B. 1997. The dynamic of social economic adaptation in resettlement areas: Case study in the development of Cirata hydroelectric power project, West Java Indonesia. Paper presented at the National seminar on

*Anthropology and development and congress Indonesia Anthropology Association.* Jakarta, 26-29 Augustus 1997. 24 pp. (in Indonesian)

39. Abdoellah, O.S. , 1997. Social aspect on environmental impacts assessment. Paper presented at the *Environmental impacts assessment courses type A*. Organized by Institute of Ecology, Padjadjaran University. Bandung, 23 June – 3 July, 1997. 14 pp. (in Indonesian).
40. Abdoellah, O.S. and Parikesit, 1995. Impact of modernization on environment in Indonesia. Paper presented at the *Symposium Kebudayaan Indonesia - Malaysia*. Kuala Lumpur, 19 pp.
41. Abdoellah, O.S. et al., 1994. Communities and forest management in East Kalimantan: pathway to environmental stability. Paper presented at the *Seminar on Policy Dialogue on Natural Forest Regeneration and Community Management*. Honolulu, 2-4 March 1994, 47 pp.
42. Abdoellah. O.S., 1993. Transmigrants and adaptation. Paper presented at the Pithecanthropus Centennial 1893–1993: International Scientific Congress *Human Evolution in Its Ecological Context*. Leiden, 26 June to 1 July 1993, 19 pp.
43. Abdoellah, O.S. and Soemarwoto O., 1993. Forest as an agent of sustainable development. Paper presented at *the Global Forest Conference: Response to Agenda 21*. Bandung, 17-20 February 1993, 15 pp.
44. Abdoellah, O.S. and Marten, G.G., 1986. Production of human nutrients from pekarangan, kebun, and aawah Agricultural Systems in Jatigede Area, West Java. In: *Proceedings of the EAPI-SUAN Symposium on Research Impact of Development on Human Activity Systems in Southeast Asia*. Institute of Ecology of Padjadjaran University,
45. Abdoellah, O.S. et al., 1978. Structure of homegarden in Selajambe and Pananjung, West Java. In: *Proceeding of the Seminar on the Ecology of Homegardens II*. Institute of Ecology of Padjadjaran University. (in Indonesian)

## Awards

:

1. Satya Lancana Dwi Dya Sistha. Indonesian National Army (2001)
2. Satya Lancana Dwi Dya Sistha. Indonesian National Army (2002)
3. Satya Karya Bhakti Kelas 2 . Rector Padjadjaran University (2004)
4. Satya lancana Karya Satya 20 Tahun. President Republic of Indonesia (2005)
5. Satya Karya Bhakti Kelas 1. Rector Padjadjaran University (2010)
6. Satya Lancana Karya Satya 30 Tahun. President Republic of Indonesia (2012)
7. Satya Karya Bhakti Pendidikan. Rector Padjadjaran University (2012)
8. 200 Top Scientists in Indonesia version Google Scholar Citations Profiles. February, 2015.

9. The Top 750 Scientist Indonesia version Google Scholar Citations Released by Webometric Ranking of World University. May, 2015.

Bandung, September 1, 2016
