

University students experiencing the Tangible Earth
(AEON Eco-Leader 2013)

AEON Asia Youth Leaders Hanoi-Vietnam, 16-23 August 2014

80 high school pupils and university students from 4 country will submit a proposal to help solving the environmental problems to the Hanoi government.

These program will be attended by 80 students from 4 countries (China, Indonesia, Japan, and Vietnam).

AEON Asia Youth Leader (previously AEON Eco-Leader) is a forum to encourage high school pupils and college students to discuss common themes about environmental issues in the host country from their perspective. AEON Asia Youth Leader also aims to provide recommendations to the local government about solutions to the problems.

AEON 1% Club - an organization made up of leading companies in AEON Group, will invite students from Indonesia and three other Asian countries to discuss environmental issues in AEON Asian Youth Leaders Forum which will take place from 16-23 August, 2014 in Hanoi Vietnam .

The objectives of these event are:

- To promote a discussion by high school and university students from Vietnam, Japan, China, and Indonesia regarding Environmental, Economic & Social Issues in order to nurture Asian Future Leaders
- To raise environmental awareness with the theme of year 2014 **“Air Quality Improvement in Hanoi, Vietnam”**
